

BAKING CASES & LINERS SIZE GUIDE

Baking Cases

Our standard core range consists of 5 sizes of round greaseproof paper cases. These are the most popular industry-standard baking cases and generally meet most customer needs: Petit Four, Mini Muffin, Fairy, Cupcake and Muffin.

All our sizes are listed below. Custom tooling is also possible for bespoke sizes.

MUFFIN
51mm (H) x 38mm (B)

CUPCAKE
48mm (H) x 32mm (B)

Core Range

EXISTING TOOLING

Base & Height (mm)

BAKING CASES & LINERS SIZE GUIDE

Doric Crimped
Paper Case Manufacturers

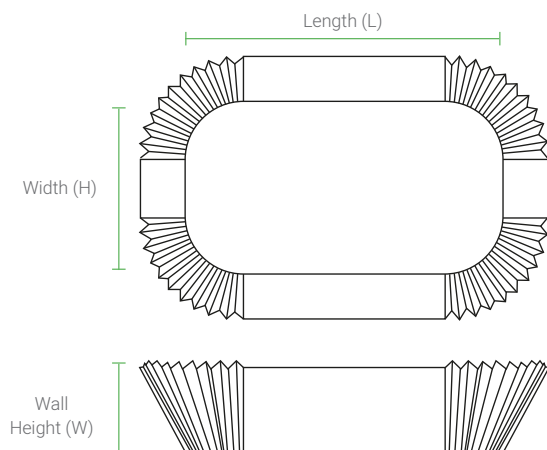

Crimped Liners

Our exceptionally versatile greaseproof and siliconised liners are available in round, oval, square or loaf tin shapes in a wide range of industry standard sizes. Suitable for baking, cooking, air frying and freezing, they can be used for anything from fondant fancies and flans, to fried chicken. Custom tooling is also possible for bespoke sizes.
